Treat me bad if you want to  
You know I can't stay mad at you  
But if you're sad when I leave you  
Do you only blame yourself? well you should

If you don't know  
What you have  
Who am I to say  
If you think that  
I'm a fool  
You may be right, but that don't mean I'll stay

Everyday I play the nice one  
I believe that's who I am  
I could never ever hurt you  
but if you make me I guess I can

If you don't know  
What you have  
Who am I to say  
If you think that  
I'm a fool  
You may be right, but that don't mean I'll stay

I have something to learn from you  
and not about where a heart breaks  
maybe some day I can tell you  
and we'll both learn from your mistakes

If you don't know  
What you have  
Who am I to say  
If you think that  
I'm a fool  
You may be right, but that don't mean I'll stay
