Oh the firelight  
Will soon be right  
Oh your heart and mine  
Will soon be mine

I wanna be your lover  
Hollywood  
I wanna wright the one that cuts just like it should  
I wanna stand together  
Bt your side  
I'm the boy in waiting  
And I'm still waiting  
Oh the heights we climb  
From time to time  
Oh your heart and mine  
Will soon be mine

I wanna be your lover  
Hollywood  
I wanna wright the one that cuts just like it should  
I wanna stand together  
Bt your side  
I'm the boy in waiting  
And I'm still waiting
