With hand on heart
You're right from the start
You taught me to take my part

No cross to bear
No reason to care
My life was all up in air

Four to the floor I was sure, never seeing clear
I could have it all whenever you are near

The iron hand
Did not understand
The plight of the common man

Four to the floor I was sure, never seeing clear
I could have it all whenever you are near

Four to the floor I was sure, she would be my girl
We'd rent a little world, we'd have a little girl

Four to the floor I was sure, never seeing clear
I could have it all if only you were here

Four to the floor I was sure, she would be my girl
We'd rent a little world, we'd have a little girl

Four to the floor I was sure, never seeing clear
I could have it all whenever you are near
