Folks from California  
Can't live without their sun  
They've actor politicians  
To infiltrate their young

They live out in the province  
To find their kingdom come  
The suffering of the father  
The sins of the son

Oh, oh, oh, oh, oh, here I go

Feel a little guilt for  
The damage that's been done  
It should be where you're going  
Not where you're coming from

(Oh)  
The bitter, the taste ye'  
(Oh, oh)  
When they don't deliver  
(Oh, oh)  
Will keep us together  
(Here I go)

(Oh)  
The bitter, the taste ye'  
(Oh, oh)  
When they don't deliver  
(Oh, oh)  
Will keep us together  
(Here I go)

Lonely river, carry further  
Take me somewhere I don't know  
Like a platform for my ideals  
Where my hurt will never show

(Oh)  
The bitter, the taste ye'  
(Oh, oh)  
When they don't deliver

(Oh, oh)  
Will keep us together  
(Here I go)

Oh, the bitter, the taste ye'  
(Oh, oh)  
When they don't deliver  
(Oh, oh)  
Here I go
