Do you see the lover in me?
And we're good showing our hands together,
If you could see how good it could be,
We'll sing these stupid songs forever,
Can you feel it?
Love is here,
It has never been so clear,
You can't love what you have not,
So hold on to what you've got,
Is Trudy really smiling for me?
I'll change my name in case she finds me,
Trembling I can't believe,
I've got to leave that girl behind me,
Can you feel it?
Love is here,
It has never been so clear,
You can't love what you have not,
So hold on to what you've got,
Can you feel it?
Love is here,
It has never been so clear,
You can't love what you have not,
So hold on to what you've got,

If you could see the aching in me
I'd change my name in case you lost me,
Trembling down to my knees,
I've got to leave the world behind me,
Can you feel it?
Love is here,
It has never been so clear,
You can't love what you have not,
So hold on to what you've got,
Feel it, love is here
Can you feel it?
Love is here
Can you feel it?
Love is here,
Can you feel it?
Love is here.
