As soon as you sound like him
Give me a call
When you're so sensitive
Its a long way to fall

Whenever you need a home
I will be there
Whenever you're all alone
And nobody cares

You're just a poor misguided fool
Who thinks they know what I should do
A line for me and a line for you
I lose my right to a point of view

Whenever you reach for me
I'll be your guide
Whenever you need someone
To keep it inside

Whenever you need a home
I will be there
Whenever you're all alone

And nobody cares

You're just a poor misguided fool
Who thinks they know what I should do
A line for me and a line for you
I lose my right to a point of view

I'll be your guide in the morning
You cover up bullet holes

As soon as you sound like him
Give me a call
When you're so sensitive
Its a long way to fall

You're just a poor misguided fool
Who thinks they know what I should do
A line for me and a line for you

I lose my right to a point of view
