When I'm falling
I can rarely see the ground
Who will be around?
You will be around
Come tomorrow
When you're waiting on the sound
Who wont let you down?
I wont let you down

As we follow
Will you leave
Mary promised
God will speak
Who will lead us
When we land
sinners
She understands

Come tomorrow
When you're waiting on the cold
Who will have it all?
Me will have it all

Change of sorrow
For a chance to write the start
Knowing where you are
Knowing where you are

As we follow
Will you leave
Mary promised
God will speak
Who will lead us
When we land
sinners
She understands

As we follow
Will you leave
Mary promised
God will speak
Who will lead us

When we land
sinners
She understands
