Everybody says that they're lookin' for a shelter  
Got a lot's of gift, but I don't know how to help her  
I should just let it go  
Till they learn how to grow  
And how to liberate

Everybody says that she's lookin' for a shelter  
Got a lots of gift, but I don't how I felt her  
They should just let it go  
Till these cities learn to grow  
And how to liberate

Silence is easy, it just becomes me  
You don't even know me, you all lie about me

Everybody says that I'm lookin' for a home now  
Lookin' for a boy or I'm lookin' for a girl now  
But I can still let it go  
And I can still learn to grow  
Into a child again

Silence is easy, it just becomes me  
You don't even know me, but why you lie about me?

Silence is easy, it just becomes me  
You don't even know me, why do you hate me?  
(Oow oow oow)

Silence is easy, it just becomes me  
(Ooh)  
You don't even know me, ohh ho, you all lie about me

Silence is easy, it just becomes me  
You don't even know me, you all lie about me

Tuu tuu tuu tuu  
Tuu tuu tuu tuu  
Tuu tuu tuu tuu
