Ha theek hai theek theek
Sab kuch theek hai
Paas hai sab kuch
Rab nazdeek hai!

Rab ke hazur mein
Kasmein bhi kha li
duniya ki auni pauni
Rashmein nibha li!

Phir bhi na maane koi to dafa kar
Maane jo maane na maane toh bhala kar
Duniya na maane kashmanu khaye
Kashmanu khaye marjaani

Marjaani marjaani!
Marjaani marjaani!
Marjaani marjaani!

Oye kashmanu khaye marjaani (2x)

Haay khayaal bhi jaane kya kya
Sochata rehta hai ga... uff!
Ki nochta rehta hai ga

Hey tu mud ke dekha na kar
Jo sar mein soch jayegi
To paun mein moch aayegi

Uth uth ke raathon mein, dard yeh paala hai
Aadhi jawani mein dard ek chhaala hai

Dil tera na roke jhaliye
Dil tera na toke baliye
Dil tera sansaari
Hey ga lage dil ko beimaani

(Chorus)

Marjaani marjaani!
Marjaani marjaani!
Marjaani marjaani!
Oye kashmanu khayee marjaani (2x)

Haan chalo abb dur yahan se,
Paahado se bhi aage
Woh jahan par subha jaage

Ho bade sab kehte hain yeh,
Chuno acche humsaaaye
Samjh ke jo samjhaaye

Ro ro ke raaton mein, aankhein bhi kaali ki
likh likh ke taarikhe diwaare kaali ki

Chup kar chup chup kar baliye
Bhag le chup chup kar chhup kar baliye
Duniya se bhage duniya mein,
Duniya ko hui hairaani

(Repeat Chorus)
