We wanna see you hoes make it wiggle  
Wanna see ya make it pop, make it jiggle  
Why don't 'cha hit the floor and shake it up?  
Turn around make it twerk, now back that ass up  
[2x]

[Kangol Slim]

We done walked around with them boys  
Kane & Abel, got my DJ Full Pack  
Mixin' on the cross faddier and  
We bout to let 'cha know  
How it goes in the city  
Ask anybody, about P-N-C  
Be comin' with it, New Orleans, the city where I stay  
Where them girls came down on a week and had a  
block part-ay  
Hit the club, made the horn, in about four or five Benzs  
Hit the stage, grabbed the mic, and knock the doors  
off the hinges

[5th Ward Weebie]

Now break me off shorty!  
Don't forget about Lil' Weebie  
Take it off shorty!  
Where they pop shake, fuck  
I'll pop it baby, once that  
Booty start to wobble, you can't stop me baby  
You can do it again, you can tear it down for me!  
Show yo thong for me! Back it up  
Put it in reverse, and drop it off for me!  
Baby I know you love it, cuz that South  
Be of the heezy, Kane & Abel  
Hooked up with P-N-C and Lil' Weebie

[Chorus-Kangol Slim & 5th Ward Weebie]

Why don't ya shake it like a dog  
Wobble baby, twerk it baby  
Break a nigga off  
Show me baby, hurt me baby

I wanna see girls do it  
Bounce it, get in to it  
I like the way you make that booty jiggle  
When ya move it  
Let me see how fast, you can make it go  
Let me get ya butt naked, hoe I'll put ya in  
My video, turn around baby  
Let me see ya from the front  
Make that tittie jump  
I'm gettin' hot, I want some  
Let me see ya drop down, get low  
Make yo booty pop now, move slow  
Pass that cucci to the left hand side trick  
Let me see ya slide it, let me see ya ride it  
Come here girl, won't 'cha break me off?  
If you ain't trippin',  
Won't 'cha take it off?  
I wanna see you, baby can I met you?  
I just wanna freak you,  
Without the three,  
Most Wanted on the mic so go off  
Make it bounce ,make it twerk  
Now shake it like a dog

[Chorus-2x]

[Misdemeanor]  
I'm from the city, where they take it off  
I'm talkin' women, all colors  
Straight break ya off  
She approach, she a vet, watch her grab the wall  
Wobble with it, wiggle with it  
Shake it like a dog  
Like a dog, wanna see 'em pop, pop, pop pop  
Like to see 'em shake, shake shake shake  
I like to see 'em back it up  
Love to seem 'em act it up  
She a pro not a slut  
The way she tore it up  
Shake it like a dog  
Baby, do what 'cha do  
Along with yo back girl, do what'cha do  
Skinny boy on a fat girl, do what 'cha do  
P-N-C, and Kane & Abel, bringin' you somethin' new  
If you got a problem with us dog

Well It's All On U  
I don't think you won't no static  
So chill what 'cha do  
Let me get somethin' straight,
