We are running out of time
We've got one foot on the rock and one foot over the
line
This love, this love's not turning back
Well, I don't know about you, but me I'm following that

Late at night, watching you sleep
And I know inside, I'm over the edge

I'm goin' down, down, down
In a blaze of love, in a blaze of love
I'm goin' down, down, down
In a blaze of love, in a blaze of love

Oh you, you can run away
You can shatter my world, scatter my dreams all over
the place
But I, I've grown to love these chains
You can tear 'em apart but I don't wanna escape

I close my eyes, picture your smile
And I know inside, I'm over the edge

I'm goin' down, down, down
In a blaze of love, in a blaze of love
Yeah, I'm goin' down, down, down
In a blaze of love, blaze of love
Blaze of love, blaze of love

Ooh, I'm over the edge
In a blaze of love

Down, down, down
Blaze of love, blaze of love
Down, down, down
In a blaze of love, in a blaze of love

Yeah, I'm going down, down, down, down, down, down
In a blaze of love, blaze of love
Yeah, down, down, down, down
Going down in a blaze of love

Yeah, down, down, down, down
Going down in a blaze of love
Down, down, down, down
Going down in a blaze of love

Down, down, down
In a blaze of love
