You tell me to be strong, tell me to be strong
Goodbye ain't no reason to cry it ain't no big deal
You say I'll get along sure I'll get along
You're so nonchalant that it's unreal

Well, I thought this love would be all I needed
I thought this love was something to believe in
Now you, you say sorry babe, it didn't work out that way
Don't let it ruin you're day babe

Don't lose any sleep now babe
It's just my heart you're breakin', it's just my heart
you're breakin'
Don't lose any sleep now babe
Just don't worry 'bout me don't you worry 'bout me
I'll be all right, oh yeah

Don't act so concerned no don't be concerned
Don't know how much more of your kindness I can bear
Guess I had to learn just had to learn
That after all this you just don't care

Well don't let that worry your mind now
I'll be okay baby I'll be fine now
It's just that I'm watching my world walking away
Don't let it ruin you're day babe

Don't lose any sleep now babe
It's just my heart you're breakin'
It's just my world you're takin' yeah babe
Don't lose any sleep now babe
Just don't worry 'bout me don't you worry 'bout me
I'll be all right, oh yeah

I thought this love was all that I needed
And I thought this love was something to believe in
Now you just say sorry babe, it didn't work out that way
Don't let it ruin your day babe

Don't lose any sleep now babe, oh
Don't lose any sleep now babe, oh

Don't lose any sleep now babe
Just my heart you're breakin' it's just my heart you're
breakin', yeah no
Don't lose any sleep now babe
Just don't worry 'bout me, don't you worry 'bout me

Don't lose any sleep now babe
It's just my world you're takin' it's just my world you're
takin', yeah babe
Just don't worry 'bout me, don't you worry 'bout me
It's just my heart, can't you see it's breaking baby

Don't lose any sleep now babe
Just my heart you're breakin' it's just my heart you're
breakin'
Don't lose any sleep now babe, oh
Don't lose any sleep now babe
