(Chorus 1)

Free to go out in the world,
I will open the cage doors,
So you can be as free,
As you can be.
I'll build you up, you are my king,
I'm the keeper of your soul,
The owner of your heart,
Behind close doors.

(Chorus 2)

Fly away,
Fly away,
Come back one day,
I'll be here, don't make me wait in vain.

(Chorus 1)

Open up and let me in,
Open up, I'll be your friend,
Open up, surrender to the purest love of all.
Open up and let me in,
Open up, I'll be your friend,
Open up, surrender to the purest love of all.

(Chorus 2)
