No intentions, whatsoever
I was gone for a night
Nothing's forever
The cruel daylight

Brought me back to my senses
(Back to my senses)
Got caught in here
Under false pretenses
No way out, none whatever

I made up a story
Thought it was clever
She didn't ask and I got no reply
(Got no reply)
But later that night, I heard her cry

No way out, she doesn't buy my story
No way out, she doesn't buy my story
No way out, she doesn't buy my story

No accusations, whatsoever
But can she forget
Nothing's forever

Since yesterday
She's a little bit colder
(Little bit colder)
Won't happen again
What could I've told her

No way out, she doesn't buy my story
No way out, she doesn't buy my story
No way out, she doesn't buy my story
Doesn't buy my story

How can she tell the truth from the lies
How does she know when to close her eyes
She doesn't want to lose me
So she only sees what she wants to see

No way out, she doesn't buy my story

No way out, she doesn't buy my story
No way out, she doesn't buy my story
No way out, no way
No way out, no way out, no way out
