Nothing's Gonna Stop Us Now

-Artist: Starship
-peak Billboard position # 1 for 2 weeks in 1987
-Words and Music by Diane Warren and Albert Hammond

Lookin' in your eyes I see a paradise
This world that I've found is too good to be true
Standin' here beside ya, want so much to give you
This love in my heart that I'm feelin' for you

Let 'em say we're crazy, I don't care about that
Put your hand in my hand, baby, don't ever look back
Let the world around us just fall apart
Baby, we can make it if we're heart-to-heart

And we can build this dream together
Standing strong forever
Nothing's gonna stop us now
And if this world runs out of lovers
We'll still have each other
Nothing's gonna stop us, nothing's gonna stop us now,
whoa no

I'm so glad I found you, I'm not gonna lose you
Whatever it takes, I will stay here with you
Take you to the good times, see you through the bad
times
Whatever it takes is what I'm gonna do

Let 'em say we're crazy, what do they know?
Put your arms around me, baby, don't ever let go
Let the world around us just fall apart
Baby, we can make it if we're heart-to-heart

And we can build this dream together
Standing strong forever
Nothing's gonna stop us now
And if this world runs out of lovers
We'll still have each other
Nothing's gonna stop us, nothing's gonna stop us, ooh

All that I need is you
All that I ever need
All that I want to do
Is hold you forever, forever and ever

And we can build this dream together
Standing strong forever
Nothing's gonna stop us now
And if this world runs out of lovers
We'll still have each other
Nothing's gonna stop us, nothing's gonna stop us

Build this dream together
Standing strong forever
Nothing's gonna stop us now
And if this world runs out of lovers
We'll still have each other
Nothing's gonna stop us now

And we can build this dream together
Standing strong forever
Nothing's gonna stop us now
And if this world runs out of lovers
We'll still have each other
Nothing's gonna stop us, nothing's gonna stop us
