

Starship "Rock Myself To Sleep"

Visit "[Rock Myself To Sleep](#)" on MotoLyrics.com

Yeah, every night I rock myself to sleep
Every night I rock myself to sleep
Every night I rock myself to sleep
Thinkin' about you, thinkin' about you

Every night I rock myself to sleep
Every night I rock myself to sleep
Every night I rock myself to sleep
Thinkin' about you, thinkin' about you

And I wanna say, it's not the same since you went away
And it's not right, you're not here with me tonight
And it's a crime, just lying here, wasting my precious
time
I'm so lonely and I'm so blue, thinkin' 'bout the things I
could do to you

Every night I rock myself to sleep
Every night I rock myself to sleep
Every night I rock myself to sleep
Thinkin' about you, thinkin' about you

And I wanna know, oh, don't you see how you hurt me
so
Going out of my head, down here in this empty bed
And it's a crime, whoa, just lying here, wasting my
precious time
I'm so lonely, baby I'm so blue, thinkin' 'bout all the
things I could do to you

Every night I rock myself to sleep
Every night I rock myself to sleep
Every night I rock myself to sleep
Thinkin' about you, thinkin' about you

Rock myself to sleep
Rock myself to sleep
Rock my

Every night I rock myself to sleep
Every night I rock myself to sleep
Every night I rock myself to sleep

Thinkin' about you, thinkin' about you

Every night I rock myself to sleep
Every night I rock myself to sleep
Every night I rock myself to sleep
Thinkin' about you, thinkin' about you

Every night I rock myself to sleep
Every night I rock myself to sleep
Every night I rock myself to sleep
Thinkin' about you
