You seem so mara sepsum naturella me, ????
As a major operator you know what to say,
You suck me in and spit me out I wanna play,
You made a promise broke it on the same day.

And you told me what you wanted and I wanted you,
You said you needed help and I wanted to,
But I couldn't take this broken anniversary,
I made the same mistake on the very same day.

In the same day,
It was a good day,
And a bad day,
It was good friday,
then the weekend and,
If theres anything worth sayin',
It's bring on the weekend.

It's just a broken hearted ancient channel memory,
I remember perfect moments and I wish they'd stay,
And you cast aside a vision yeah to let me know,
You dreamed a dream and then you have to let it go.

When you,
Told me what you wanted and I wanted you,
You said you needed help and I wanted to,
But I couldn't think this broken anniversary,
I made the same mistake on the very same day.

In the same day,
It was a good day,
And a bad day,
It was good friday,
then the weekend and,
If theres anything worth savin',
Bring on the weekend.

It was a good day,
And a bad day,
It was good friday,
then the weekend,

It was a good day,
And a bad day,
It was good friday,
then the weekend,
Bring on the weekend,
Bring on the weekend, yeah.

You told me what you wanted and I wanted you,
You said you needed help and I wanted to,
But I couldn't think this broken anniversary,
I made the same mistake on the very same day.
