I feel it closing out
The tunnels getting smaller and I'm blacking out
I'm spinning in a capsule high out in space
I can see you down there
You're as small as hell if it exists
But I don't care I'm just floating out here
And I've been coming in burning up
I'm feeling fine I can't get enough
I'm flaking out I'm never giving in
My head's spinning my head is spinning
Sammy's coming down
He's filling himself in again
He's getting high out in space
He thinks he's free again
Well I've been waiting such a long time for this
Where are we, what is this place
Well I've been
coming in, burning up
I'm feeling fine I can't get enough
I'm freakin out, I'm never giving in
My head's spinning my head is spinning
I coming in I'm burning up
I'm feeling fine I can't get enough
It's breaking up and spinning all around me again
Roses fall so I can catch the dust
I squeeze the sand from your head to match my cuts
I'm faking breathing easy you and me in
Oh man I gotta get out I gotta get out
I can't take this scene anymore
I'm alone out here I'm alone out here
Keep spinning over and over again
I'm alone out here I'm alone out here
I'm spinning over and over again
I'm coming in burning up
I'm feeling fine I can't get enough
I'm coming in burning up
I'm feeling fine I can't get enough
