These other worlds are uncharted
More than a little down hearted
It's an open invitation
To this diamond gold imitation show but
Everything is going to be alright

We communicate
Without any style
I hope it's not too late
To sit and talk for a while
Come out of your cage and talk to the stars

Another standing ovation
Another dodgy location
It's a goldfish situation
Yeah I'm staring out at the world
Everything is going to be alright cos

We communicate
Without any style
I hope it not too late
To sit and talk for a while
Come out of your cage and talk to the stars

yeah...

We communicate
Without any style
I hope it not too late
To sit and talk for a while
Come out of your cage and talk to the stars

And everything is going to be alright cos
We communicate
Without any style
I hope it not too late
To sit and talk for a while
Come out of your cage and talk to the stars

yeah...

We communicate
Without any style
I hope it not too late
To sit and talk for a while
Come out of your cage and talk to the stars
