Soon your world will be a part of me, The sooner we wake the sooner we all will see

[Chorus]

And all the friend that you sold out
Didn't have to pay, You're an emotional allstar
All the friends you loved you lost
You're an emotional allstar,
A victim of love and loss

I'm breaking the silence for morning to come
I'm breaking the world to rescue the sun
I'm crushing the souls of the weak and
The damned
I'm taking you on with my master plan
I'm letting you in, I'm taking you out
Every second I get, I'm second guessing myself

[Chorus]

Soon your world will be a part of me.

[Chorus]

You're an emotional allstar
