"Let It Go"

I'll begin to let you go
When the sunlight melts the snow
Every night I drive away from you
I see the mountains I have yet to move

And you there
You don't care
I wonder if you

Wanted me like i wanted you
It's a lonely truth
That I can't change you
And you sure can't change me

It's hard as hell tonight to sleep
To close my eyes would be admitting my defeat

And you there
You don't care
I wonder if you

Wanted me like I wanted you
It's a lonely truth
That I can't change you
And you sure can't change me

Are you
Wanting me like I wanted you
It's a lonely truth
That I can't change you

And you there
You don't care
I wonder if

You wanted me like I wanted you
It's a lonely truth
That I can't change you

Wanted me like I wanted you
It's a lonely truth

That I can't change you
And you sure can't change me
