Met a man yesterday.
He was broken in so many ways.
He had nothing in his name,
Except a heart of fear and himself to blame.
But he said don't leave me alone.
Cause I've been so far from home
I can't remember what it's like to feel my soul.

He left his dignity,
Sometime ago with his family.
He thought everything would be better off.
But the world caught up with him...
And he said don't leave me alone.
Cause I've been so far from home
I can't remember what it's like to feel my soul

I said to him do you enjoy this life you have chosen?
You got a whole life in the decade gone by...
With no chance of feeling alive...
And he said don't leave me alone.
Cause I've been so far from home
I can't remember what it's like to feel my soul...

And he said don't leave me alone.
Cause I've been so far from home
I can't remember what it's like to feel my soul...
