Let's do it!
Let's do it! Let's do it!

You can boogie like disco, love that disco sound
Move all your body, spin it all around
But don't, don't, don't, don't, don't forget
Don't, don't, don't, don't, don't forget
The Stars on '45 keep on turning in your mind
Like 'We Can Work it Out'
Remember 'Twist and Shout'
You still don't 'Tell Me Why' and 'No Reply'

You gotta beat the clock
You gotta beat the clock

1, 2, 3, 4...

No Reply
This happened once before when I came to your door
No reply
They said it wasn't you but I saw you peep through your
window

I'll Be Back
You know if you break my heart I'll go
But I'll come back again
'Cause I told you once before goodbye
But I came back again

Drive My Car
Asked a girl what she wanted to be
And she said, 'Baby, can't you see?'
'I wanna be famous, a star on the screen.'
'But you can do something in between! '
'Baby, you can drive my car.'
'Yes, I'm gonna be a star.'
'Baby, you can drive my car.'
'And Baby, I love you! '

Do You Want To Know A Secret?
Listen, do you want to know a secret?
Do you promise not to tell?

Oh, oh-a-oh, oh
Closer, let me whisper in your ear
Say the words you long to hear
I'm in love with you (oh-a-oooh-oooh)

We Can Work It Out
Try to see it my way
Do I have to keep on talking 'til I can't go on?
While you see it your way
Run the risk of knowing that our love may soon be gone
We can work it out
We can work it out

I Should Have Known Better
I should've know better with a girl like you
That I would love everything that you do
And I do, hey, hey, hey

Nowhere Man
He's a real nowhere man, sitting in his nowhere land

You're Going To Lose That Girl
You're gonna lose that girl
You're gonna lose that girl
You're gonna lose that girl

Ticket To Ride
I think I'm gonna be sad, I think it's today, yeah
The girl that's driving me mad is going away
She's got a ticket to ride, she's got a ticket to ride
She's got a ticket to ride and she don't care

The Word
Say the word and you'll be free
Say the word and be like me
Say the word I'm thinking of
Have you heard the word is love?
It's so fine, it's sunshine
It's the word, love

Eleanor Rigby
Ahh, look at all the lonely people
Ahh, look at all the lonely people

Every Little Thing
When I'm walking beside her people tell me I'm lucky
Yes, I know I'm a lucky guy
I remember the first time I was lonely without her
Can't stop thinking about her now
Every little thing she does, she does for me, yeah
And you know the things she does, she does for me,

oooh

And Your Bird Can Sing

You tell me that you've got everything you want

And your bird can sing

But you don't get me, you don't get me

When your prized possessions start to wear you down

Look in my direction, I'll be around, I'll be around

Get Back

Jo jo was a man who thought he was a loner

But he knew it wouldn't last

Jo jo left his home in Tucson, Arizona

For some California grass

Get back, get back, get back to where you once
belonged

Get back, get back, get back to where you once
belonged

Eight Days A Week

Got a good reason for takin' the easy way out

Got a good reason for takin' the easy way out now

She was a day tripper, one way ticket, yeah

It took me so long to find out and I found out

Wait

It's been a long time

Now I'm coming back home

I've been away now

Oh, how I've been alone

Wait 'til I come back to your side

We'll forget the tears we've cried

But if your heart breaks

Don't wait, turn me away

And if your heart's strong

Hold on, I won't delay

The Stars on '45 keep on turning in your mind

Like 'We Can Work it Out'

Remember 'Twist and Shout'

You still don't 'Tell Me Why' and 'No Reply'

Good Day Sunshine:

Good day sunshine

Good day sunshine

Good day sunshine

Here Comes the Sun

Little darling, it's been a long cold lonely winter

Little darling, it feels like years since it's been here

Here comes the sun, here comes the sun

And I say, it's all right

While my Guitar Gently Weeps

I look at you all, see the love, there that's sleeping

While my guitar, gently weeps

I look at the floor, and I see it needs sweeping

Still my guitar, gently weeps

Taxman

Let me tell you how it will be

(Taxman, Taxman, Mr. Wilson)

There's one for you, nineteen for me

(Taxman, Mr. Heath)

'Cause I'm the taxman

Yeah, I'm the taxman

A Hard Day's Night

It's been a hard day's night, and I been working like a
dog

It's been a hard day's night, I should be sleeping like a
log

But when I get home to you I'll find the things that you
do

Will make me feel alright

Things We Said Today

You say you will love me

If I have to go

You'll be thinking of me

Somehow I will know

Someday when I'm lonely

Wishing you weren't so far away,

Then I will remember

The things we said today

If I Fell

If I give my heart to you

I must be sure

From the very start

That you would love me more than her

'Cause I couldn't stand the pain

And I would be sad if our new love was in vain

You Can't Do That

I got something to say that might cause you pain

If I catch you talking to that boy again

I'm gonna let you down

And leave you flat

Because I told you before, oh

You can't do that

Please Please me
Last night I said these words to my girl
I know you never even try, girl
C'mon c'mon... , C'mon c'mon... , C'mon c'mon... ,
C'mon c'mon...
Please, please me, whoa yeah, like I please you

From Me to You
If there's anything that you want
If there's anything I can do
Just call on me, and I'll send it along
With love from me to you.

I Want to Hold Your Hand
Oh yeah, I'll, tell you something, I think you'll
understand
When I'll, say that something, I wanna hold your hand
I wanna hold your hand, I wanna hold your hand

You can boogie like disco, love that disco sound
Move all your body, spin it 'round and 'round
But don't, don't, don't, don't, don't forget, no-no
Don't, don't, don't, don't, don't forget, oh no-no
The Stars on '45 keep on turning in your mind
Like 'We Can Work it Out'
Remember 'Twist and Shout'
You still don't 'Tell Me Why' and 'No Reply'
