You can't deny it then
You gotta be a fan
You're on the verge ,
You know So part the day , way we go
Before you party fine
You gotta live your live
You gotta live your live

The stars on 45 keep on turning in your mind
They take you to the top (Top!)
The stars will never stop
So listen to the stars on 45

Please , allow me to introduce myself
I'm a man of wealth and taste
I've been around for a long long year
Stole many a man's soul and faith

Brown sugar
How come you taste so good ?
Brown sugar
Just like a young girl should

I was born in a cross-fire hurricane
And I allowed at my ma in the driving rain

But it's alright now
In fact it's a gas
But it's alright
I'm jumpin' Jack Flash
It's a gas gas gas

Under my thumb
The girl who once had me down
It's down to me , yes , it is
the difference in the clothes she wears
Down to me , the chance has come
She's under my thumb

It's a honcky tonk woman
Gimme gimme gimme the honky tonk blues

Baby baby baby your out of time
I said baby baby baby you're out of time
You are all left out
Out of there without a a doubt
'Cuase baby baby baby you're out of time

Is there nothing I can say , nothing I can do ?
To change your mind , I'm so in love with you
You're too deep in , you can't get out
You're just a poor girl in a rich mans house

Oohoo , ooh , ooh , ooh , ooh , ooh
Oohoo , ooh , ooh , ooh , ooh , ooh

She comes in colors every were
She combs her hair
She's like the rainbow
Coming colors in the air
Oh everyone
She comes in colors

You can start me up
You can start me up but never stop
You can start me up
You can start me up but never stop
Never stop , never stop , never stop

You can make a grown man cry
You can make a grown man cry

Angie , Angie
When will those clouds all disappear ?
Angie , Angie
Where were the ladies from here ?
