Baby everything is all right  
Uptight out of sight  
Baby everything is all right  
Uptight clean out of sight

My cherie amour lovely as a summer day  
My cherie amour distant as a milky way  
My cherie amour pretty little one that I adore  
You're the only girl my heart beats for  
How I wish that you were mine

Yester-me Yester-you Yesterday

Everyone's feelin' pretty  
It's hotter than July  
Tho' the world's full of problems  
They couldn't touch us  
Even if they tried  
Didn't know you

We're in the middle  
Of the making of the master blaster jammin'  
We're in the middle  
Of the making of the master blaster jammin'

You are the sunshine of my life  
That's why I'll always be around  
You are the apple of my eye  
Forever you'll stay in my heart

Isn't she lovely  
Isn't she wonderful  
Isn't she precious  
Less than one minute old  
I never thought through love we'd be  
Making one as lovely as she  
But isn't she lovely, made from love

Listen to the Stars  
Come on, uh uh uh uh

I wish those days could come back once more  
Why did those days ever have to go  
I wish those days could come back once more  
Why did those days ever have to go  
'Cause I love them so

Hey hey hey  
I was born in Little Rock  
Had a childhood sweetheart  
We were always hand in hand (Hey hey hey)  
I wore high-top shoes and shirt-tails  
Suzy was in pigtails  
I knew I loved her even then (Hey hey hey)

'Cause I was made to love her  
I was made to live for her  
Hey hey hey  
Ooh baby I was made to love her  
Worship and adore her

For once in my life  
I have someone who needs me  
Someone I've needed so long  
For once unafraid  
I can go where life leads me  
Somehow I know I'll be strong

For once I can say  
This is mine you can't take it  
As long as I know I have love I can make it  
For once in my life  
I have someone who needs me

Very superstitious, writings on the wall  
Very superstitious, ladders 'bout to fall  
When you believe in things  
That you don't understand, then you suffer

They can feel it all over  
They can feel it all over people  
They can feel it all over  
They can feel it all over people

Everybody's got to pay  
But some don't know how to handle it  
Always reaching out in vain  
Just taking the things that are not worth having

Don't you worry 'bout a thing  
Don't you worry 'bout a thing, mama  
Cause I'll be standing on the side

There's a place in the sun  
Where there's hope for everyone  
Where my poor restless heart's gotta run  
There's a place in the sun  
And before my life is done  
Got to find me a place in the sun

Everybody say yes (Yes)  
Say yes (Yes)  
Say yes, yeah, yeah, yeah
