How can i forget you  
If I could touch you now  
would be like to touch the sky  
Some times I feel you so close  
that i can smell your body  
Chorus:  
But when i close my eyes  
But when i close my eyes  
I search you in my dreams  
And I find you alone and sad  
I'm crying for you  
I'm lying for you  
I'm suffering for you  
Yeah, I'm dying for you  
Just give me one reason  
Just give me one reason  
to don't love you  
or maybe to forget you  
Please don't tell me  
that our love  
doesn't make sence  
-(Chorus)-  
I'll never find  
Another girl like you.
