she liked, besides
she love obscure
his eyes fell right
right into to her

seven sisters swallowed
everything she could see
he could be the one for her
and she said, "i'm so pleased to see
you recognize my disguise,
doesn't make me like you more"

sayonara or ciao, baby
it's all the same to me
sayonara or ciao, baby
auf wiedersehen

his hands, heart, arms
fists, fingers
turn back too late
she lingers

today will be a day of reckoning
time to leave
time to leave the fear at the door

sayonara or ciao, baby
it's all the same to me
sayonara or ciao, baby
auf wiedersehen

we could try this
one time more
once with feeling
even the score

today will be a day of reckoning
time to leave
time to leave the fear at the door
and i said, "i'm so pleased to see
you recognize my disguise,

doesn't make me like you more"

sayonara or ciao, baby
it's all the same to me
sayonara or ciao, baby
auf wiedersehen
