hey j, can you dance to this one?
you'll be shaking when the revolution comes
one fist tied to the sky
two feet on the dancefloor

brookie d, can you dance to this one?
the way you spin it, get some bodies on the floor
the champagne starts to pour
you know we're shaking like it's 1984

and we danced all through the night
as paris is burning
(c'mon and shake it baby, i see you moving)
everyone will be made light
(go on and liberate it, the revolution)
as paris is burning

IT'S A DANCE REVOLUTION (that's right)
IT'S A DANCE REVOLUTION (that's right)

oh emma, can you dance to this one?
i feel your heart, it's beating heavy to the drums
speak with that golden tongue
and when the beat drops, let it bump bump bump

(c'mon and shake it baby, i see you moving)
and we danced all through the night
(go on and liberate it, the revolution)
as paris is burning
(c'mon and shake it baby, i see you moving)
everyone will be made light
(go on and liberate it, the revolution)
as paris is burning

IT'S A DANCE REVOLUTION (that's right)
IT'S A DANCE REVOLUTION (that's right)
IT'S A DANCE REVOLUTION (that's right)
IT'S A DANCE REVOLUTION

43, can you dance to this one?
are you too busy dropping bombs and making war?

worse than your dad before?
you gotta shake it like it's 1984

(c'mon and shake it baby, i see you moving)
and we danced all through the night
(go on and liberate it, the revolution)
as paris is burning
(c'mon and shake it baby, i see you moving)
everyone will be made light
(go on and liberate it, the revolution)
as paris is burning
