down on the floor
i've been here before
and darling, the pain of make-believe
taking it slow
enjoying the show
i'll be here forever and ever
the drinks, i've spilled them everywhere
when the room turned on its side

stop cold
i sold
my soul
so you could be my millionaire

down on the floor
i've been here before
i'm begging to please you
please you, please
taking it slow
because i am holding on for life

stop cold
i sold
my soul
so you could be my millionaire

stop cold
i sold
my soul
so you could be my millionaire

sit back and enjoy the show
i've given you everything you need
sit back and enjoy the show for me

down on the floor
i've been here time after godforsaken time
the room is turning back again
i'm holding on for life

stop cold

i sold
my soul
so you could be my millionaire

stop cold
i sold
my soul
so you could be my millionaire

so you could be my millionaire
so you could be my millionaire
won't you be my millionaire?
i'd let you be my millionaire
'cause i sold
my soul
so you could be my millionaire
