Just before the breakdown
Warm and colorful
All the faces shift and fade
Pressed her face against your's
Cold and colorless
She left the conversation days ago
Days ago

Why did you bring me here tonight?
Why did you bring me here tonight?

Hope this finds you happy
Know that we are fine
Getting half her share of death
It was nice to know you.
All my best regards.
I'll see you on the other side.
Oh, I will see you on the other side.
Why did you bring me here tonight?
Why did you bring me here?
Why did you bring me here tonight?
Why did you bring me here?

I would give my breath for this to never end
In the dark I know you're mine.

Why did you bring me here?
