Bow your head & say a prayer  
Drive away all your cares  
I am here, here with you  
& I'm here, here to stay  
DICK: Oh Dee Dee, I love you  
DEE DEE: Oh Dick, I love you  
DICK (double-tracked): & I'll never go away

For love is a once in a lifetime thing  
It takes time to grow  
& now I know that a love like ours  
Is a once in a lifetime thing

(spoken):

DICK: Bow your head, & then Dee Dee, just say a prayer  
DEE DEE: I will, Dick, & then I'll drive away all your cares

I am here, here with you  
& I'm here, here to stay  
DICK: Oh Dee Dee, I love you  
DEE DEE: Oh Dick, I love you  
DICK (double-tracked): & I'll never go away
