Yeah, yeah, yeah, yea-hea, yea-hea, yea-hea yea-hea
The mountains high and the valleys so deep
Cant get across to the other si-hi-hi-hi-hi-hi-hi-hide
Dont ya give up baby, dont you cry
Dont ya give up till I reach the other si-hi-hi-hi-hi-hi-hide

I was lonely baby, I couldnt sleep
The night they took you from my si-hi-hi-hi-hi-hi-hide

I was a lonely soul
Until you became my goal
And then I saw the spark of love
And then the stars fell from (up above OH YEAH!)

I know someday we will meet again
But I dont know exactly where or whe-he-he-he-he-he-he-hen
But baby, if fate has its way
Well meet again some other day-aaaaaaaaaayyyy

The mountains high and the valleys so deep
Cant get across to the other si-hi-hi-hi-hi-hi-hi-hide
Dont ya give up baby, dont you cry
Dont ya give up till I reach the other si-hi-hi-hi-hi-hi-hi-hide

Hoo hoo hoo hoo (I know it to I tell ya)
Hoo hoo hoo hoo (I know it to I tell ya)
I know, I know hoo hoo hoo hoo
FADES-
I know, I know hoo hoo hoo hoo
The valleys deep baby.....
