We're all just everyday people
And there's a part of you
Connected with everyone else
And there's me and there's you, oh no

This plot can get so confusing
Oh, if you only knew
If I could I'll take you with me
When I'm here and you're there, oh no

Are you alone?
Oh no
Are you alone?

I'll say it so you can hear me
It's a lonely truth
I've been spending all my time
By myself, without you, oh no

Are you alone?
Oh no
Are you alone?

And if you wanna let me hear it
If you're not, make it say to yourself
You're so lucky as hell

Have you ever needed help
When you've been all by yourself? Yeah
Have you ever been home
When everyone's gone?

Are you alone?
Oh no

Are you alone?
Oh no
Are you alone?
Are you alone?

Are you alone?
Are you alone?

Oh no
Are you alone?
