I can sense it
That something so important
Is about to happen
It's coming up

It takes courage to enjoy it
The hardcore, the gentle
Big time sensuality

And we just met
I'm a bit too intimate
Something huge is coming up
And we're both included

It takes courage to enjoy it
The hardcore, the gentle
Big time sensuality

And I don't know my future
After this weekend
(After this weekend)
I don't want to
(I don't want to)

It takes courage to enjoy it
The hardcore, the gentle
The big time sensuality
Sensuality, yeah

And it's coming up
And it's coming up
The big time, the big time
The big time and the big time
And the big time and the big time
And the big time sensuality
