Please don't leave me without saying goodbye  
Without saying goodbye

You and I, cold February night  
It's been a half an hour  
Taking sweet time, saying our goodbyes  
One minute more, go!

The best day of my life  
Is all thanks to you  
Precious remembrance  
Saved for rainy days on February

Few scenes from my life  
Where moments mean more to me  
Than our fine nights  
I remember like yesterday, the time of my life

Please don't leave me, without saying goodbye  
Without saying goodbye  
Please don't leave me, without saying goodbye  
Without saying goodbye  
Let's travel back in time

2-12-99, at the stroke of midnight  
Holding you tight  
Your body and mine, in February

Few scenes from my life  
Where moments mean more to me  
Than our fine nights  
I remember like yesterday, the time of my life

Please don't leave me, without saying goodbye  
Without saying goodbye  
Please don't leave me, without saying goodbye  
Without saying goodbye

Please don't leave me, without saying goodbye  
Without saying goodbye  
Please don't leave me, without saying goodbye  
Without saying goodbye

Let's travel back in time
