Today could be a different day  
If the sky lifts up the haze off of my front lawn  
Or just another time I hold my tears  
For another year on my way back home

Can I sell this sunrise?  
In return for a sunset, yeah  
Can I just be here one more day  
Until my sunburn fades away

I've asked a 100 times what's going on  
But it went in one ear and out the other one  
Oh, can I take your palm tree home with me?  
For the memory of here when I'm at home

And I've been looking forward months back  
Vacation's everything we need

Can I sell this sunrise?  
In return for a sunset, yeah  
Can I just be here one more day  
Until my sunburn fades away

I'm taking pictures of everything  
To remind me of a place that's so perfect for me  
I'm taking pictures of everything  
So go ahead and take this place away from me

Today could be another day  
When the sky lifts up the haze off of my front lawn  
Just another time I hold my tears  
For another year on my way back home

Can I sell this sunrise?  
In return for a sunset, yeah  
Can I just be here one more day  
Until my sunburn fades away

Can I sell this sunrise?  
In return for a sunset, yeah  
Can I just be here one more day  
Until my sunburn fades away

Can I sell this sunrise?  
In return for a sunset, yeah  
Can I just be here one more day  
Until my sunburn fades away, sunburn fades away
