North-bound train on a Saturday  
Here I come, New York City  
Been deep in thought, on a little sleep  
Distance took my love away

Do you need to love?  
Do you need to love?  
Do you need to love someone?

I stare at strangers subtly  
Reading and softly speaking  
When Princeton boards, one sits by me  
Sir, can I ask you something?

Do you need to love?  
Do you need to love?  
Do you need to love someone?

Oh, do you need?  
Oh, do you need?  
Oh, do you need?  
Oh, do you need?

Do you need  
Do you need someone?

Sometimes when there is  
No one to love you back all the time  
When you're in need  
Desperate to fall asleep  
Well, ain't it wild? Oh, aren't you tired?  
Oh, isn't it making you lose your mind?

Well, do you need to love?  
Do you need to love?  
Do you need to love?

Do you need to love?  
?Cause I think I need to love  
Do you need to love someone?  
Oh, sometimes

Oh, do you need?  
Oh, do you need?  
Oh, do you need?  
Oh, do you need?

Do you need?  
Do you need to love?

Do you need to love?  
Do you need to love?  
Do you need to love someone?
