Looking in your eyes, I see a paradise  
This world that I've found is too good to be true  
Standing here beside you, want so much to give you  
This love in my heart that I'm feeling for you

Let 'em say we're crazy, I don't care about that  
Put your hand in my hand baby, don't ever look back  
Let the world around us just fall apart  
Baby, we can make it if we're heart to heart

And we can build this dream together, standing strong  
forever  
Nothing's gonna stop us now  
And if this world runs out of lovers, we'll still have each  
other  
Nothing's gonna stop us, nothing's gonna stop us now

I'm so glad I found you, I'm not gonna lose you  
Whatever it takes I will stay here with you  
Take it to the good times, see it through the bad times  
Whatever it takes is what I'm gonna do

Let 'em say we're crazy, what do they know?  
Put your arms around me baby, don't ever let go  
Let the world around us just fall apart  
Baby, we can make it if we're heart to heart

And we can build this dream together, standing strong  
forever  
Nothing's gonna stop us now  
And if this world runs out of lovers, we'll still have each  
other  
Nothing's gonna stop us, nothing's gonna stop us

Ooh, all that I need is you  
All that I ever need  
And all that I want to do  
Is hold you forever, ever and ever, hey

And we can build this dream together, standing strong  
forever  
Nothing's gonna stop us now

And if this world runs out of lovers, we'll still have each  
other  
Nothing's gonna stop us now, whoa, nothing's gonna  
stop us now, oh, no

Hey, baby, I know, hey, baby  
Nothing's gonna stop us  
Hey, baby, woo, nothing, hey, baby  
Nothing's gonna stop us now, yeah
