i guess the most that i can do
is make a call and tell you the truth
sing the words in melody
and hope that you'll believe me
here's another song for you
so this one this one makes two
i still don't know where to begin
i'll just leave it at this

i'm sure you always feel my eyes on you
but i hope that you will never feel unwanted

[chorus:]

wait for me to move out west
it's ok if you don't
i hope you know
you're my favorite thing
about the west coast
i wish i stayed
i hope you wait
so here i am
counting down the days
till california comes

this is the least that i can do

you know i'm bad at calling you
the best way i can extend
the lonely words i miss you
i'll say it but i'm sure you knew
you're what i look most forward to
coming back to where i've been
i'll just leave it at this

i'm sure you always feel my eyes on you
but i hope that you will never feel unwanted
if you feel unwanted

[chorus x2:]

wait for me to move out west
it's ok if you don't
i hope you know

you're my favorite thing
about the west coast
i wish i stayed
i hope you wait
so here i am
counting down the days
till california comes

till california comes
