Here it goes and this won't take long  
Just let me dedicate a song  
To a girl that turned this boy to stone  
And you know who you are?  
Here's a hint, she doesn't have a car  
Or the time to be in love with me

Why did you say  
This feeling have to stay?  
Left me to wait for so long  
You don't have to stay  
But I hoped you, would anyway  
All you do is up and go

Excuse me, but this won't take long  
I'm sorry for writing you this song  
But just what do you think you deserve?  
Because when you had the chance, for romance  
You burned it at both ends  
I guess, I'm not sorry in the least

Why did you say  
This feeling have to stay?  
Breaking this up for so long  
You don't have to stay  
But I hoped you, would anyway  
All you do is up and go  
You don't have to go  
What makes you stay we'll never know?  
All you do is up and go

Up and go  
Up and go  
What would make you stay?  
Up and go  
What would make you stay?  
I guess we'll never know  
I guess we'll never know  
I guess we'll never

You don't have to stay  
But I hoped you, would anyway

All you do is up and go  
You don't have to go  
What makes you stay we'll never know?  
All you do is up and go  
You don't have to stay  
[Incomprehensible]  
All you do is up and go  
Up and go  
Up and go

I guess we'll never know  
I guess we'll never know  
I guess we'll never know  
I guess we'll never know  
I guess we'll never know
