When I wear my mary jane shoes
I can escape from the blues
The whole world seems a little bit brighter, brighter
My heavy steps get a little bit lighter, lighter

Whoa my mary Jane's (4x)

When I wear my mary jane shoes
I'm just like a child on the bruise
From my heart and to my soul I feel like I'm seven
But from my head to my toes
It's like I'm in heaven, heaven

Whoa my mary Jane's (4x)

When I wear mary jane shoes
I enjoy to spin - the ones and twos
Music plays another dimension
And I can dance with a different perception

Wooh my mary Jane's (4x)

When I step into my shoes, make a lady wanna, hey
Feeling high, feeling loose caught up in a purple, hey
Everything is beautiful motherfuckin' feeling great
When I step in to my shoes, make a lady wanna go
crazy,
Wanna go crazy, wanna go crazy, wanna go crazy, oh
now
Wooh my mary janes, wooh my mary janes, wooh my
mary janes,
Wooh my mary janes, wooh my mary janes
