Is there somebody out there?  
Does anybody care about me?  
How long do we know each other?  
Those years feel like yesterday

I'm holdin' on to you  
I need you by my side  
Holdin' on to you  
I'm holdin' on to you  
I need you by my side  
Holdin' on to you

In fear of a dying heart

I feel that it's only breaking  
Yes - I still believe in love  
And I always keep on waiting... for you

I'm holdin' on to you  
I need you by my side  
Holdin' on to you  
I'm holdin' on to you  
Forever by my side  
Holdin' on to you
