(Music: Donalds, Cretu, Gad - Lyrics: Donalds, Cretu)

You lied when you said that you love me
Forgotton love in your distant memory
I thought the fire we shared would last forver
For there's still passion in my soul
And I said to you

I yi yi I'm not your one night lover
I yi yi if you wish you could have it
5-4-3-2-1 but not me cause this is serious

I'm not your one night lover
You want to let me down but your not sure how to do it
I remember you called me every day, whether near or
far
I really thought deep down I was your shinning star
Everything was beautiful, full of modern miracles

I yi yi I'm not your one night lover
I yi yi if you wish you could have it
5-4-3-2-1 but not me cause this is serious
I yi yi 5-4-3-2-1
I yi yi I'm not your one night lover
I yi yi if you wish you could have it
5-4-3-2-1 but not me cause this is serious
