Watch me...
Well just a look at that girl with that light comin' up in
her eyes
I say she must be somebody's baby
I say she must be somebody's baby
Well all the guys on the corner stand back and let her
walk on by
I say she must be somebody's baby
I say she's got to be somebody's baby
I say she must be somebody's baby
'Cus she's all right

She's probably somebody's only light
Gonna shine tonight
Yeah
She's probably somebody's baby all right

I heard her talking to a friend when she thought
nobody else was around
I say she must be somebody's baby
I say she's got to be somebody's baby
Well all the cars and the signs and the streetlights light
up the town
Yeah
I say she must be somebody's baby
I say she's got to be somebody's baby
I say she must be somebody's baby
'Cus she's all right

She's probably somebody's only light
Gonna shine tonight
Yeah
She's probably somebody's baby all right

I gotta shut my eyes but I can't get her out of my sight
Yeah
I know I'm gonna know her but I gotta get over my
fright
Well I'm just gonna walk up to her
I'm gonna talk to her tonight
tonight...

I say she must be somebody's baby
I say she's got to be somebody's baby
I say she must be somebody's baby
'Cus she's all right

She's probably somebody's only light
Gonna shine tonight
Yeah
She's probably somebody's baby all right
