Let's get fucked up, gimme a cup I'll drink till I throw up  
Let's get fucked up, alcohol my only friend

Licking my lips 'cause I got the craving  
Saturday night and I've been saving  
My appetite for alcohol  
Give my motherfucking peeps a call

Where can we do this? It really don't matter  
Let's get drunk, no let's get plastered  
I ain't got shit to do in the morning  
Fuck the Surgeon General's warning

Let's get fucked up, gimme a cup I'll drink till I throw up  
Let's get fucked up, alcohol my only friend  
Let's get fucked up, gimme a cup I'll drink till I throw up  
Let's get fucked up, alcohol my only friend

Let's do shots of tequila  
Tomorrow there's gonna be spots on the rug  
Chug that glass of bourbon sour  
I'll be puking in about an hour

BAC is 12.0  
Gimme the keys I'm ready to go  
I ain't got shit to do in the morning  
Fuck the Surgeon General's warning

Let's get fucked up, gimme a cup I'll drink till I throw up  
Let's get fucked up, alcohol my only friend  
Let's get fucked up, gimme a cup I'll drink till I throw up  
Let's get fucked up, alcohol my only friend

Driving around and I'm far from sober  
Looking for a ho that I can bend over  
My friends say I'm going nowhere fast  
But when I'm fucked up, I need some ass

Boo boo booty call, let me inside some sugar walls  
I ain't got shit to do in the morning  
Fuck the Surgeon General's warning

Let's get fucked up, gimme a cup I'll drink till I throw up  
Let's get fucked up, alcohol my only friend  
Let's get fucked up, gimme a cup I'll drink till I throw up  
Let's get fucked up, alcohol my only friend  
Alcohol my only friend, alcohol my only friend
