Celebrate the love  
Celebrate the love

Walking over clouds of love  
Flying high up through the sky with you  
I'm falling down back to the ground  
If you tell me that you're leaving  
Let the sun rise in your heart  
Can't you see you've got the truth in you  
Let us celebrate the love  
The loving we are feeling

Celebrate the love  
Celebrate the love  
Celebrate the love  
Celebrate the love

Everybody needs love  
Everybody wants love  
Celebrate the love  
Celebrate the love

Walking over clouds of love  
Flying high up through the sky with you  
I'm falling down back to the ground  
If you tell me that you're leaving  
Let the sun rise in your heart  
Can't you see you've got the truth in you  
Let us celebrate the love  
The loving we are feeling

Celebrate the love  
Celebrate the love  
Celebrate the love  
Celebrate the love
