Feel the raindrops on your face
See the nature full of grace
When heaven's crying again
When you see a star of sun

Colors changing one by one
Rainbow's shining again

Teardrops from heaven
Falling down
Diamonds in the air
Heaven's crying again

Sooner or later the sun will shine
It's a symphony of life
Rainbow's shining again
So don't you wonder,
Life has just begun.

Teardrops from heaven
Falling down
Diamonds in the air
Heaven's crying again

Teardrops from heaven
Feeling so high
Diamonds in the air
Someone's trying again
Someone's trying again

So don't you wonder
Life has just begun

Teardrops from heaven
Falling down
Diamonds in the air
Heaven's crying again
Someone's trying again

Teardrops from heaven
Falling down

Diamonds in the air
Heaven's crying again

Teardrops from heaven
Feeling so high
Diamonds in the air
Someone's trying again
Someone's trying again
