Dlya meya ty bal kumirom,
U teba sovsem kak u De Niro
Glaza,
Obo vsem vokrug zabyla,
I kazalos' , dazhe polubila,
A zryaâ€¦

Moi pal'cy celoval ty,
Moi guby strastno iskusal ty,
Ahaâ€¦

Byl vchera so mnoyu ryadom,
A segodnya okazalsya gadom.
Okazalsya gadomâ€¦

Postoy, postoy, kuda ty muzhchina?
Ostav' hotya b svoiu lamborgzhina,
Mushina, ostav' svoy mashina.

Postoy, postoy, kuda ty muzhchina?
Ostav' hotya b svoiu lamborgzhina,
Mushina, ostav' svoy mashina.

I ne znayu, chto ty hochesh',
Dvadcat' raz za dve poslednih nochi,
Zvonilâ€¦
No slova, kak v more pena,
Rastvorilis' v zhizni postepenno,
Poã tiâ€¦

Ya iskala, v chom prichina,
Ideal'nyj vrode by muzhchina,
O daâ€¦
Raskalilas' do predela,
A potom mne ãto nadoelo.
Eto nadoeloâ€¦

Postoy, postoy, kuda ty muzhchina?
Ostav' hotya b svoiu lamborgzhina,
Mushina, ostav' svoy mashina.

Postoy, postoy, kuda ty muzhchina?
Ostav' hotya b svoiu lamborgzhina,
Mushina, ostav' svoy mashina.

Postoy, postoy, kuda ty muzhchina?
Ostav' hotya b svoiu lamborgzhina,
Mushina, ostav' svoy mashina.

Postoy, postoy, kuda ty muzhchina?
Ostav' hotya b svoiu lamborgzhina,
Mushina, ostav' svoy mashina.

Ostav'-ostav'â€¦

Ostav'-ostav'â€¦
