We're gonna check it on the skyway  
We're gonna hunt him down  
We chase him through sculptures  
Carved by the wind, carved by the rain  
And I doubt you'll even notice  
We were on your trail  
We strike like the lightning  
Once you can see us,  
You're already too late

Cause he can't stop  
Whatever is 'round the corner  
(You can't stop)  
Can't stop whatever is 'round the corner  
(You can't stop)  
You can't stop whatever is 'round the corner  
(You can't stop)  
You can't stop whatever is 'round the corner  
(You can't stop)

Don't wanna bind ourselves to your joy  
Don't wanna cut and grab and snatch and destroy  
Came from the sculptures,  
Carved by the winds, carved by the rain

Cause he can't stop  
Whatever is 'round the corner  
(You can't stop)  
Can't stop whatever is 'round the corner  
(You can't stop)  
You can't stop whatever is 'round the corner  
(You can't stop)  
You can't stop whatever is 'round the corner  
(You can't stop)

(...)  
We will knock him dead  
(Assassinations)  
We will knock him dead  
(...)  
We will knock him dead

(Assassinations)  
We will knock him dead

Can't stop whatever is 'round the corner  
You can't stop whatever is 'round the corner
