Al Green, OH!

Al Green, OHHHHH YEAH!!!

OOOOOOOOOOOOOOO!!!

Whatcha know about the Isley Brothers?

[*Aisha Taylor talking over ad-libs*]

Now Kanye, I know I told you to slow it down

It's good, it's all good, it's beautiful

But now I need you to do it faster baby

can you please - do it faster, do it faster

[*Kanye talking*]

Damn baby, I can't do it that fast but I know somebody who can, Twista!

[Verse 2: Twista]

When I catch you looking at the glist on my hands and wrist

While I'm layin' back smoking on my cannabis

When it come to rockin the rhythm like Marvin and Luther

I can tell you when I'm messin wit Kan man and Twist

In the Chi and I be sippin hennessey - play some R&B

While I smoke a b - you can preferably find that I'm a G

And all this (well well well well)

Come wit me and sip on some Evelyn Champagne

You ain't know Twista could work it like the Whispers?

Hit the stop light, move it to some Isaac

His rims still movin so I bump a lil' Spinners

While I'm smoking on a b - dippin through the streets

Bumpin R&B - and I got the leaf - on the 23's

And I do it (well well well well)

Wit my Earth in the Wind smoking Fire

Let me get ya sheets wet listenin to Keith Sweat

Put you in a daze wit Maze
Fulfilling her wit every temptation, slow jam, and havin
deep sex
You ready for the world girl, baby come on go wit me
I touch you all over your body baby don't say no to me
And every moment controlling me
I love the way you be holdin me when I be listenin to
Jodeci
And when I come over and bend ya ass, you be bumpin
Teddy Pendergrass
I done hit it from the back, to the melody and rode it
slow
Now I got to go up in it fast, but I'mma finish last
No matter how much of a thug you see
I still spit it like it's R&B, come to the club wit me
And when some Luther come on I hope you feelin me
and still will be in love wit me

Repeat Chorus
